RULING ON ENTITLEMENT¹

On April 27, 2020, Jerry Taylor filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the “Vaccine Act”). Petitioner alleges that he suffered left shoulder injuries related to vaccine administration as a result of a Hepatitis B vaccine received on October 23, 2018. Petition at 1. The case was assigned to the Special Processing Unit of the Office of Special Masters.

On September 3, 2021, Respondent filed his Rule 4(c) report in which he concedes that Petitioner is entitled to compensation in this case. Respondent’s Rule 4(c) Report at 1. Specifically, Respondent agrees that “petitioner has no history of pain, inflammation, or dysfunction in his left shoulder; his pain and reduced range of motion were limited to

¹ Because this unpublished Ruling contains a reasoned explanation for the action in this case, I am required to post it on the United States Court of Federal Claims’ website in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2012) (Federal Management and Promotion of Electronic Government Services). **This means the Ruling will be available to anyone with access to the internet.** In accordance with Vaccine Rule 18(b), Petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, I agree that the identified material fits within this definition, I will redact such material from public access.

the shoulder in which the vaccine was administered; and no other condition or abnormality was identified to explain his symptoms.” *Id.* at 4. Respondent further agrees that the statutory six month sequela requirement has been satisfied and that Petitioner has satisfied all legal prerequisites for compensation under the Act. *Id.*

In view of Respondent’s position and the evidence of record, I find that Petitioner is entitled to compensation.

IT IS SO ORDERED.
